

Development Matters and Birth to Five Matters

What does this event cover?	<p>Development Matters and Birth to Five Matters are new non-statutory guidance for the new EYFS framework. These two documents have been published to support practitioners understand how children typically develop and learn from birth to the end of the Reception year. They can be used to help practitioners assess children's level of development which in turn informs decisions about how to support a child's learning.</p> <p>This workshop will be an opportunity to look at these documents in more detail and consider how they might be used in your setting.</p>
Who is this event for?	For all Early Years practitioners working with children aged 0 - 5.
