

Mental Health Lead's Network Meeting

What does this event cover?	We look forward to welcoming you to the Mental Health Leads Network meeting which provides a supportive space for all Mental Health Leads. It is an opportunity to meet other MH Leads, share what you are doing, discuss challenges and develop good ideas and strategies to help you in your role. We have invited along a Clinical Psychologist who will speak to the group about work with young people and adults who have experienced PTSD and / or are seeking asylum and will share some ideas for how you can support pupils experiencing these issues.
